## Speaker Bryan Loritts

Bryan is the Lead Pastor of Fellowship Memphis- a multicultural church ministering to the evolving community of urban Memphis. Bryan has also served as an adjunct professor at Crichton College, and is on the board of trustees for Biola University, Presbyterian Day School, and Memphis Leadership Foundation. In addition to serving the community of Memphis, Bryan's ministry takes him across the country as he speaks to thousands annually at churches, conferences and retreats. Bryan's unique ability to communicate the deep truths of Scripture in a relevant uncompromising manner has helped to reach a generation embedded in postmodernism. Yet as passionate as he is about communicating God's truths both locally and abroad, spoken and written, his greater passion is his wife Korie, and their three sons Quentin, Myles and Jaden.

## Special Worship By the Tree

By the Tree is a two-time Dove Award-winning contemporary Christian rock group. Best known for their hook infused pop-rock sound and refreshing lyrics, Fervent Records' Dove Award winning band By The Tree released their highly anticipated fifth album entitled World On Fire on September 26th. This album follows the success of the group's previous album, Hold You High, which featured the No. 1 radio hit "Beautiful One". "The past year and a half has been a time of growth for us," shares Aaron Blanton, lead singer for By The Tree. "We have seen God build, protect, restore and cover us. With the release of World On Fire, there is a coming message of desperation: The need for God."

Please join us for a time of fellowship, fun, reflection and worship.

This is a great opportunity to get to know other guys and build new relationships.
